

MATCH OF THE MONTH ✨

✨ Amanii and Alyssa ✨

When Amanii was first enrolled in the program, her mother hoped to find a Big Sister who could help her daughter grow in confidence, independence, and self-worth. That's when she met Alyssa – a mentor with a passion for supporting young women, shaped by her experience working in youth health programs.

Fast forward 2 years and 2 months later, Amanii is now flourishing into a confident 10th grader with many more friends, a positive outlook on life, and excitement for all the possibilities ahead.

Together, Alyssa and Amanii share a love for creativity. From arts & crafts to baking and movie nights, they've built a bond that feels more like a sisterhood. Recently, Alyssa has even been helping Amanii learn to play the violin – adding music to their growing list of shared adventures. Their journey is a beautiful reminder of the power of mentorship and the lasting connections it creates.
