For nearly five years, Destinee and Jessica have shared a bond built on trust, encouragement, and genuine friendship.

From hiking and crafting to attending BBBS events together, Jessica has been a steady source of support as Destinee has grown in confidence and made incredible progress managing her emotions.

Their relationship has become so meaningful that Destinee's mom says Jessica is "family now"—a true testament to the lasting impact of mentorship.

BEYOND SCHOOL WALLS

Craft Day with Host Hotels & Resorts! 🎨

Our Littles closed out the school year with an afternoon of creativity, curiosity, and hands-on learning!

Using coffee filters, they learned how art and science come together to create beautiful, colorful designs. They also put their imaginations to work using pipe cleaners to craft butterflies, octopuses, snakes, lollipops, and more!

It was a wonderful opportunity to learn and laugh together.

Thank you [Host Hotels and Resorts](#), for your continued investment into our Littles. Your support empowers our Littles to discover their potential and chase after their dreams.
